

• Goals •

- To provide an enjoyable and rewarding experience in a school setting.
- To nurture a positive self-image in each child.
- To provide the opportunity for creative self-expression through play, music and art.
- To develop each child's social skills of sharing, helping and interacting with others.
- To teach children to understand and accept responsibility for their own behavior.
- To offer curriculum areas of creative arts, science, math, language, imaginative play, health and large and small motor skills.
- To enhance curriculum with educational topics including sign language, environment, safety and nutrition, in addition to special classroom visitors and field trips.
- To offer curriculum that is theme-based for 3-year olds and alphabet-based for 4-year olds.
- To prepare children to enter kindergarten, including teaching independence and self-help skills along with full visual alphabet recognition.
- To help children see themselves as uniquely created and loved by God.

KIDS OF COVENANT

CHILD CARE AND DEVELOPMENT CENTER

• A Typical Day •

KIDS OF COVENANT

CHILD CARE AND DEVELOPMENT CENTER

Center Time or Free Play

We believe that children learn through play. During this time, children choose from a variety of activities, including a rice table, play dough, blocks, books, creative art, dramatic play, science and nature, puzzles, puppets and games.
(self-direction, choice, imagination, problem-solving)

Story Time

We read and share a variety of stories relating to the theme or letter of the day.
(listening, attention, language, literacy)

Table Time/Art Project

This provides language opportunities such as talking about the calendar, weather and/or sharing thoughts with classmates. A daily art project linked to a theme or letter of the day allows children to mature in following directions, fine motor skills and creative expression.
(sharing, following directions, fine motor skills)

Circle/Music Time

Different experiences during this fun time include active and quiet songs, guest musicians, finger-plays and instruments.
(unity, movement, memory, expression)

Snack Time

As children enjoy snacks they practice table manners as well as develop social skills while they communicate with their peers.
(socialization, responsibility, nutrition, manners)

Quiet Book Time

A few moments of quiet allows each child to observe the pictures in their books to help them discover the story line.
(language, imagination, discovery)

Outside Play

Each day children enjoy our exciting outside play area, where they continue developing social skills and gross motor skills.
(gross motor skills, movement, socialization)

K.O.C.

It is our passion at Kids Of Covenant (KOC) to offer a safe and fun environment for children six weeks to twelve years. Our commitment is to provide quality care for your children. We are dedicated to give efficient and quality care by insuring our management team & staff are professionally trained & experienced. Our teachers are devoted to providing a dynamic and engaging classroom environment focused on both social and cognitive skills. We are enthusiastic about modeling and teaching the principles of learning that your child will use for life. The staff at KOC believes that education is the key to success. All of our lead teachers are, or are in the process of being, CDA or TCC certified which furthers their knowledge of childcare principles, and in turn provides a better quality learning environment for your child. We look forward to partnering with you in the development of your child.

To you, the working parent, every dollar is important, and **no child care program delivers better value than Kids Of Covenant!** We have very high quality and standard of care, safety and education – plus a whole lot of fun, at a far more affordable price. We help your child advanced in life, while helping your budget, too.
